

PROCTORIAL NOTICE

FLY-POSTING

Members of the University are reminded of Regulation 4 of the General Regulations for Discipline¹:

No member of the University shall intentionally or recklessly damage or deface or knowingly misappropriate any property of the University or of any College.

The Proctors may take disciplinary action against any member of the University who is found to be making unauthorized postings on University or College premises.

The Cambridge City Council has advised the Proctors that such unauthorized postings are illegal and contrary to the Town and Country Planning Act 1990 if on private property, or to the Highways Act 1980 if in a public place.

The Council's officers routinely act against fly-posting within the City, and individuals or groups who fail to remove illegal postings within twenty-four hours of receiving notice from the Council may be prosecuted before the Magistrates and fined up to £1,000.

The Proctors may assist the City Council or the Police in the prosecution of such offenders.
