**COMPOSITION OF THE SCHOOLS**

*The School of Arts and Humanities* comprises the Faculties of Architecture and History of Art, Classics, Divinity, English, Modern and Medieval Languages, Music, Oriental Studies, and Philosophy.

*The School of the Biological Sciences* comprises the Faculties of Biology, Clinical Medicine, Clinical Veterinary Medicine, and the Wellcome Trust and Cancer Research Campaign Institute of Cancer and Developmental Biology.

*The School of the Humanities and Social Sciences* comprises the Faculties of Archaeology and Anthropology, Economics and Politics, Education, History, Law, Social and Political Sciences, the Department of History and Philosophy of Science, and the Department of Land Economy.

*The School of the Physical Sciences* comprises the Faculties of Earth Sciences and Geography, Mathematics, Physics and Chemistry, and the Isaac Newton Institute for Mathematical Sciences.

*The School of Technology* comprises the Faculty of Engineering, the Department of Chemical Engineering, the Computer Laboratory, and the Judge Institute of Management Studies.

In the following pages the Faculties are arranged alphabetically (pp. 12–30) and other institutions mentioned above will be found on pp. 31–35.

**FACULTIES**

These lists do not show *membership* of Faculties. Complete lists of members of Faculties will be found in Special No. 2.
