COMPOSITION OF THE SCHOOLS

The School of Arts and Humanities comprises the Faculties of Architecture and History of Art, Asian and Middle Eastern Studies, Classics, Divinity, English, Modern and Medieval Languages, Music, Philosophy, and the Research Centre of English and Applied Linguistics.

The School of the Biological Sciences comprises the Faculties of Biology and Veterinary Medicine, and the Wellcome Trust and Cancer Research UK Gurdon Institute.

The School of Clinical Medicine comprises the Faculty of Clinical Medicine.

The School of the Humanities and Social Sciences comprises the Faculties of Archaeology and Anthropology, Economics, Education, History, Law, and Social and Political Sciences, the Department of History and Philosophy of Science, the Department of Land Economy, and the Centres of African Studies, International Studies, and Latin-American Studies.

The School of the Physical Sciences comprises the Faculties of Earth Sciences and Geography, Mathematics, Physics and Chemistry, and the Isaac Newton Institute for Mathematical Sciences.

The School of Technology comprises the Faculties of Business and Management, Computer Science and Technology, and Engineering, the Department of Chemical Engineering, and the Institute of Biotechnology.

In the following pages the Faculties are arranged alphabetically (pp. 16–37) and other institutions mentioned above will be found on pp. 38–39.

FACULTIES

These lists do not show membership of Faculties. Complete lists of members of Faculties will be found in Special No. 5.
