REGULATIONS FOR EXAMINATIONS

Natural Sciences Tripos, Part II

(*Statutes and Ordinances*, p. 410)

With effect from 1 October 2015

The General Board, on the recommendation of the Committee of Management for the Natural Sciences Tripos, have approved amendments to Regulation 30 so that candidates for the subject of examination Neuroscience are no longer required to give an oral presentation and, in the subject of examination Physical Sciences, the scheme of examination for Half Subject Earth Sciences is amended to remove the paper of one and a half hours' duration and to reduce the three-hour paper to two hours which will consist of two essays on topics related to the seminars in two courses offered.

Regulation 30.

Neuroscience

By amending the scheme of examination for the subject of examination 'Neuroscience' by deleting the final paragraph.

Physical Sciences

By amending the scheme of examination for the subject of examination 'Physical Sciences' by amending sub-paragraph (iii)(1) so as to delete the reference to one written paper of one and a half hours' duration.

By amending sub-paragraph (iii)(2) so as to read 'a written paper of two hours' duration, consisting of two essays, each essay chosen from topics related to the seminars in each of the two courses offered;'

NOTICES BY FACULTY BOARDS, ETC.

Annual meetings of the Faculties

Human, Social, and Political Science

The Chair of the Faculty Board of Human, Social, and Political Science gives notice that the Annual Meeting of the Faculty will be held at 1 p.m. on Thursday, 20 November 2014, in the Seminar Room, Biological Anthropology, Pembroke Street. The main business will be the election of two members of the Faculty Board in class (c), in accordance with the General Regulations for the Constitution of the Faculty Boards (*Statutes and Ordinances*, p. 600). Nominations, signed by the proposer and seconder, for which the consent of the candidate must be obtained, should reach the Secretary of the Faculty Board, Faculty of Human, Social, and Political Science, Free School Lane, not later than lunchtime on Tuesday, 18 November 2014. Notice of any other business should reach the Secretary by the same date.

Veterinary Medicine

As previously noted (*Reporter*, 6359, 2014–15, p. 39), the Chair of the Faculty Board of Veterinary Medicine has given notice of a change to the published date of the Annual Meeting of the Faculty, which will be held at 1 p.m. on Thursday, 20 November 2014 in Lecture Theatre 2 of the Department of Veterinary Medicine, Madingley Road.

The main item of business will be to elect, in accordance with the General Regulations for the Constitution of the Faculty Boards (*Statutes and Ordinances*, p. 600), one member in class (c) to serve for four years from 1 January 2015.

Nominations for election, signed by the proposer and seconder, and accompanied by the consent of the person nominated, together with notice of any other business for this meeting, should reach the Secretary of the Faculty Board, Department of Veterinary Medicine, Madingley Road, not later than Monday, 17 November 2014.

Natural Sciences Tripos, Part III, Physics; and Master of Advanced Studies in Physics, 2014–15

The Head of the Department of Physics gives notice that the following Major Topics, Minor Topics, and types of further work will be available for examination in 2015.

Major Topics

These papers will be taken at the start of the Lent Term. Each Major Topic will be examined by a written paper of two hours' duration. Each paper will consist of three questions of which candidates will be required to answer two; all questions carry equal weight. Candidates are required to take a minimum of three papers. The titles of the papers are as follows:

Paper 1/AQC.	Advanced quantum condensed matter physics
Paper 1/SMB.	Soft matter and biophysics
Paper 1/RAC.	Relativistic astrophysics and cosmology
Paper 1/PP.	Particle physics
Paper 1/PEP.	Physics of the Earth as a planet
Paper 1/QCM.	Quantum condensed matter field theory
Paper 1/AOP.	Atomic and optical physics

Candidates may replace one Major Topic with the paper ‘Quantum field theory’ (Paper 1/QFT) from Part III of the Mathematics Tripos (taken in June).

Minor Topics

These papers will be taken at the start of the Easter Term. Each Minor Topic will be examined by a written paper of one and a half hours’ duration. Each paper will consist of three questions of which candidates will be required to answer two; all questions carry equal weight. Candidates who are not replacing Minor Topics by other work, as specified below, are required to take a minimum of three papers. The titles of the papers are as follows:

Paper 2/BP.	Biological physics
Paper 2/EXO.	Exoplanets
Paper 2/FSU.	Formation of structure in the universe
Paper 2/FOA.	The frontiers of observational astrophysics
Paper 2/GFT.	Gauge field theory
Paper 2/MP.	Medical physics
Paper 2/NOQL.	Non-linear optics and quantum states of light
Paper 2/PA.	Particle astrophysics
Paper 2/PNS.	The physics of nanoelectronic systems
Paper 2/QI.	Quantum information
Paper 2/SQC.	Superconductivity and quantum coherence

Each paper or piece of further work listed below may replace one Minor Topic:

- A Long Vacation Project (Paper 2/LVP) (based on pre-approved project work undertaken during the previous Long Vacation)
- The Entrepreneurship option (Paper 2/ENP), which is examined by course-work
- The paper ‘Advanced quantum field theory’ (Paper 2/AQFT) from Part III of the Mathematical Tripos (examined in June)
- The examination paper ‘Nuclear power engineering’ (Paper 2/4M16) from Part IIB of the Engineering Tripos; these candidates will take the same examination paper as candidates from Engineering (examined at the start of the Easter Term)
- The Interdisciplinary papers in ‘Materials, electronics, and renewable energy’ (Paper 2/IDP3); ‘The Earth system and climate change’ (Paper 2/IDP2); and ‘Atmospheric chemistry and global change’ (Paper 2/IDP1) (all examined in the second half of the Easter Term)

Where candidates take more than three Major Topics, the examiners will use the best three results in determining the class; where candidates take more than three Minor Topics, the examiners will use the best three results in determining the class: all marks will appear on the transcript.

FORM AND CONDUCT OF EXAMINATIONS, 2015

Notices by Faculty Boards, or other bodies concerned, of changes to the form and conduct of certain examinations to be held in 2015, by comparison with those examinations in 2014, are published below. Complete details of the form and conduct of all examinations are available from the Faculties or Departments concerned.

Chemical Engineering Tripos, Part IIA, 2015

The Chemical Engineering and Biotechnology Syndicate give notice that, with effect from the examinations to be held in 2015, the form of the examination for Part IIA of the Chemical Engineering Tripos will be changed as follows.

Paper 3

Section B will contain two questions (instead of three) on Corrosion and Materials.

The rubric for Paper 3 is unchanged. All other parts of the examination are unchanged.

Computer Science Tripos, 2015

The Faculty Board of Computer Science and Technology give notice that, with effect from the examinations to be held in 2015, the form of the examination for the following papers for the Computer Science Tripos will be changed as follows:

PART IB

Paper 3 will contain eight questions and there will be two questions on Programming in C and C++. In this paper, candidates will be expected to answer five questions.

PART II

Papers 7 and 8 will contain twelve questions. In these papers, candidates will be expected to answer five questions.

All other papers remain unchanged. Students are referred to the Faculty website at: <http://www.cl.cam.ac.uk/teaching/exams/> for further details.

REPORTS**Report of the General Board on the establishment or re-establishment of certain Professorships**

The GENERAL BOARD beg leave to report to the University as follows:

1. The General Board recommend the establishment or re-establishment of three Professorships as set out in paragraphs 2 and 3 below. The funding arrangements in each case were approved by the Resource Management Committee at its meeting on 22 October 2014.

2. The Board have accepted an academic case from the Faculty Board of Business and Management and the Council of the School of Technology for the establishment of a Professorship of Finance and a Professorship of Management Accounting in Judge Business School, each for one tenure. The cost of these Professorships will be met from funds available to Judge Business School from its MBA, Master of Finance, and Executive Education programmes. The Board have agreed that election to the Professorship of Finance should be made by an *ad hoc* Board of Electors and that preference should be given to candidates working within the field of theoretical and empirical behavioural finance. The Board have agreed that election to the Professorship of Management Accounting

should be made by an *ad hoc* Board of Electors and that candidature should be open without limitation or preference to all persons whose work falls within the general field of the title of the Professorship.

3. The Board have accepted an academic case from the Faculty Board of Clinical Medicine for the re-establishment, for a further tenure, of the Professorship of Molecular Endocrinology in the Department of Clinical Biochemistry. The Professorship, which was established by Grace 2 of 23 May 1990, lapsed on the retirement of Professor K. Siddle on 30 September 2014. The full cost of the Professorship will be met by the School of Clinical Medicine from within its recurrent Chest allocation. The Board have agreed that election to the Professorship should be made by an *ad hoc* Board of Electors and that candidature should be open without limitation or preference to all persons whose work falls within the general field of the title of the Professorship.

4. The General Board recommend:

I. That a Professorship of Finance be established for one tenure from 1 October 2015, placed in the Schedule to Special Ordinance C (vii) 1, and assigned to Judge Business School.

II. That a Professorship of Management Accounting be established for one tenure from 1 October 2015, placed in the Schedule to Special Ordinance C (vii) 1, and assigned to Judge Business School.

III. That the Professorship of Molecular Endocrinology be re-established for a further tenure from 1 January 2015, placed in the Schedule to Special Ordinance C (vii) 1, and assigned to the Department of Clinical Biochemistry.
