### Notice of a Discussion on Tuesday, 3 March 2015

The Vice-Chancellor invites those qualified under the regulations for Discussions (*Statutes and Ordinances*, p. 111) to attend a Discussion in the Senate-House, on Tuesday, 3 March 2015, at 2 p.m. for the discussion of:

1. First-stage Report of the Council, dated 16 February 2015, on the construction of a Chemistry of Health Centre for the Department of Chemistry (p. 389).
2. Second-stage Report of the Council, dated 17 February 2015, on the construction of a new building and refurbishment works for the Cambridge Judge Business School (p. 391).

### Statutes approved

13 February 2015

The Registry has received notice from the Clerk at the Privy Council Office that Her Majesty the Queen, at a Council held on 11 February 2015, was pleased to approve the amendments of Statute A and Statute C which were submitted under the Common Seal of the University in accordance with Graces 1 of 30 April 2014 and 1 of 4 June 2014 respectively. The amendments to Statute A revise the student membership of the Council and the General Board, and consequential amendments to Special Ordinance and Ordinance have now come into force, with effect from 11 February 2015 (*Reporter*, 6341, 2013–14, p. 424). The amendments to Statute C revise provisions concerning the period of office for the office of Pro-Vice-Chancellor (*Reporter*, 6344, 2013–14, p. 465).

### Election to the Council in class (c): online voting

As previously announced (*Reporter*, 6375, 2014–15, p. 381), there is to be an election of one member of Council in class (c). Online voting will open at 9 a.m. on Friday, 20 February 2015 at <https://www.governance.cam.ac.uk/ballots/voting/2015-03-02>; voting will close at 5 p.m. on Monday, 2 March 2015. Those on the Roll of the Regent House will receive an email alert shortly after voting opens. Further information on ballots of the Regent House is available on the University governance website at <https://www.governance.cam.ac.uk/ballots/rh/>. Those who registered by 12 December 2014 to receive hard-copy voting papers and materials will receive their papers in the post by 20 February 2015 and will not be able to vote online. Any queries regarding the election should be sent to [ballots@admin.cam.ac.uk](mailto:ballots@admin.cam.ac.uk).

These new topics, along with the ones originally advertised in November, are available at: <http://www.maths.cam.ac.uk/postgrad/mathiii/essays/essall.pdf>.

A candidate who proposes to submit an essay should inform the Chair of Examiners, through her or his Director of Studies, on a form which will be provided, by 1 May 2015. Candidates should submit their essay, through her or his Director of Studies, so as to reach the Chair of Examiners not later than 1 May 2015.

## REPORTS

### First-stage Report of the Council on the construction of a Chemistry of Health Centre for the Department of Chemistry

The COUNCIL begs leave to report to the University as follows:

1. In this Report the Council is seeking approval in principle for the construction of a new building on a plot adjacent to the Department of Chemistry, on the site of the Union Road car park, to accommodate members of the Department, to build on current activities, and provide space for new academic initiatives.

2. The Chemistry of Health Centre will enable fundamental discoveries in the molecular processes underlying human disease. It will promote their translation into clinical and commercial applications by providing the infrastructure required for new academic-industrial partnerships. The Centre will provide a unique opportunity to make crucial contributions to the fight against the emerging diseases related to recent changes in age and lifestyle in the modern world. The new building will house the Centre for Protein Misfolding Diseases (CPMD), a Chemistry of Health Incubator, and the Molecular Production and Characterisation Centre (MPACC). The building will enable the CPMD to effect a step change in basic and translational research on molecular approaches to combat modern pandemics such as Alzheimer's and Parkinson's diseases and type II diabetes. The Incubator will be at the core of this vision, with research scientists from industrial partners and start-ups occupying laboratory and desk space alongside academics from Cambridge and collaborating institutions. The MPACC will provide support and access to state-of-the-art instrumentation for academic and industrial users in Cambridge and from across the UK.

3. The building will provide flexible research space that can be repurposed as priorities evolve in the future. It will comprise a gross internal area of 2,865m<sup>2</sup> and will include laboratory, office, and meeting space across six floors. The scheme sits within the central conservation area but the principle of the development has been agreed by a Pre-Planning Application process with Cambridge City Council.

4. The total cost of the project has been estimated at approximately £22.7m. An application for £17.645m has been submitted to HEFCE's UK Research Partnership Investment Fund (UKPRIF) 2016–17. A decision is anticipated in the spring of 2015. The balance of the funding required to proceed with the project has been raised from philanthropic donations to the Department of Chemistry.

5. A concept paper for the project was approved by the Planning and Resources Committee on 25 June 2014. Further details relating to the design, maintenance, and recurrent costs, with proposals for funding, will be brought to future meetings of the Buildings Committee and the Planning and Resources Committee. A Second-stage Report will be published in due course to seek approval for implementation of the project.

6. The project is planned to be completed so that the new building is operational by autumn 2017.

7. A plan showing the location of the proposed new building is shown below.

8. The Council recommends:

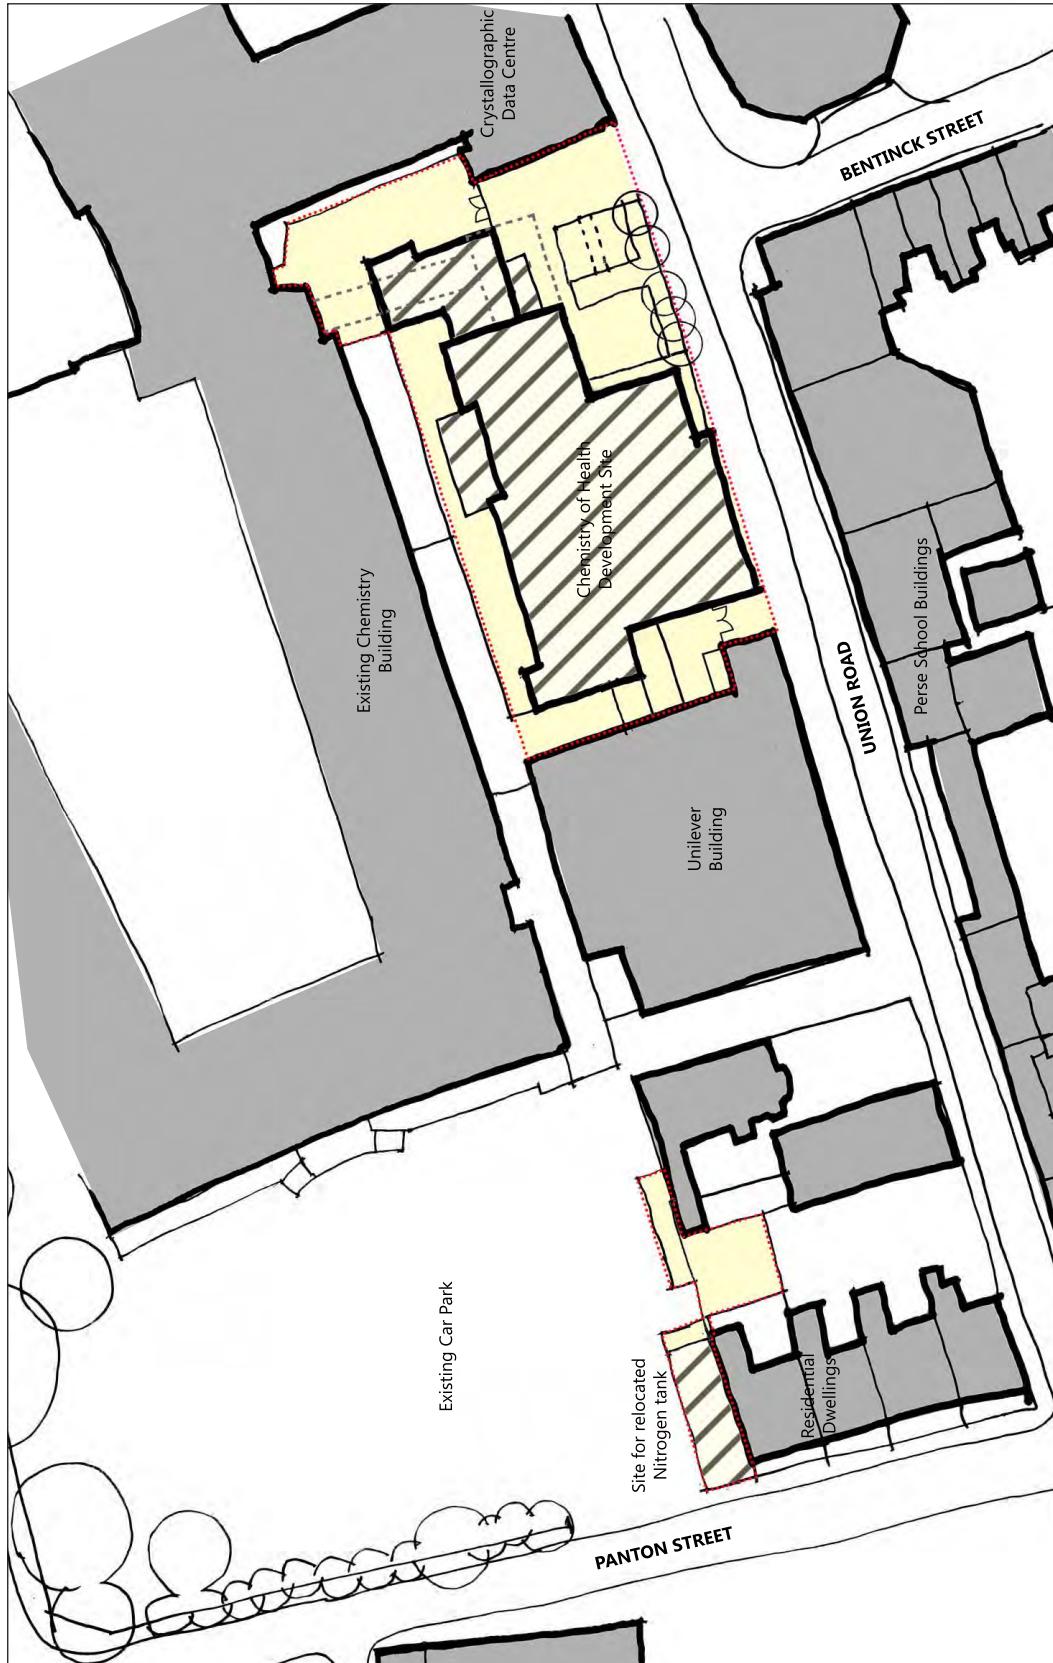

- I. That approval in principle be given for the construction works outlined in this Report.
- II. That the Director of Estate Strategy be authorized to apply for detailed planning approval in due course.

## Second-stage Report of the Council on the construction of a new building and refurbishment works for the Cambridge Judge Business School

The COUNCIL begs leave to report to the University as follows:

1. In this Report the Council is seeking approval for the construction of a new building and refurbishment works for the Cambridge Judge Business School as set out below.

2. A First-stage Report on the construction of a new building and refurbishment works for the Cambridge Judge Business School was submitted to the Regent House on 24 April 2014 (*Reporter*, 6344, 2013–14, p. 470) and approved by Grace 6 of 21 May 2014. This Second-stage Report is to inform the Regent House about further development of the scheme and to seek approval for construction to proceed.

3. As stated in the First-stage Report, Cambridge Judge Business School (CJBS) urgently needs additional space for executive student teaching and associated offices for academic staff. There is also a need to improve the quality of space available, especially for the delivery of Executive Education programmes. Since the 2005 Strategic Review, which identified the opportunity to create a world-class research-based business school at the heart of the University, student numbers have increased from 324 to 512 and delegate days on Executive Education programmes from 2,510 to 21,516.

4. The development proposals require the demolition of the existing Bridget's and Nightingale Hostels on Tennis Court Road (which were previously let to Anglia Ruskin University at a net rental income of £265k p.a.) and the subsequent construction of a new building and a linking lobby to the School's existing building. They include refurbishment work within the existing Ark building and refurbishment of the existing ground floor reception within the School's main building. The works will also provide a bridge link to a refurbished Keynes House, and some improvements to the Common Room kitchen. In providing 4,790m<sup>2</sup> GIA of new space this development will meet the brief for the Executive Education business as well as some of the School's other requirements. Groups that are expected to be located within the new building include Executive Education, Executive MBA (course delivery and support staff), and around 25 academic staff.

9. The Council recommends:

I. That approval is confirmed for the refurbishment works and the construction of a new building on Tennis Court Road for the Cambridge Judge Business School as proposed in this Report.

II. That the Pro-Vice-Chancellor (Planning and Resources) be authorized to accept a tender for the works, within the available funding, in due course.

**GRACES****Graces submitted to the Regent House on 18 February 2015**

The Council submits the following Graces to the Regent House. These Graces, unless they are withdrawn or a ballot is requested in accordance with the regulations for Graces of the Regent House (*Statutes and Ordinances*, p. 111), will be deemed to have been approved at 4 p.m. on Friday, 27 February 2015.

**1.** That Regulation 6 for the Herchel Smith Medicinal Chemistry Fellowship and Studentship Fund (*Statutes and Ordinances*, p. 955) be amended so as to read:<sup>1</sup>

**6.** After provision has been made by the Managers in accordance with Regulation 3, any unexpended income may be applied at the discretion of the Managers for the support of research in the field of medicinal chemistry. Alternatively, any unexpended income in a financial year shall either be added to the capital of the Fund or accumulated for use as income in future years, as the Managers may determine.

**2.** That PricewaterhouseCoopers be reappointed, in accordance with Statute F I 5, to be the qualified accountants for the audit of the University's financial statements for the financial year 2014–15.<sup>2</sup>

<sup>1</sup> The General Board, on the recommendation of the Managers of the Fund, propose this amendment under Statute E I 8 to enable distributions to support research in the field of medicinal chemistry from income available after provision has been made for the Fellowship and Studentships.

<sup>2</sup> The Audit Committee has recommended the reappointment of PricewaterhouseCoopers as External Auditors to the University for the current financial year.

**Graces to be submitted to the Regent House at a Congregation on 21 February 2015**

The Council has sanctioned the submission of the following Graces to the Regent House at a Congregation to be held on 21 February 2015:

That the following persons be admitted to the degree of Master of Arts under the provisions of Statute B II 2:

**9.** ADAM YUET CHAU, Fellow of St John's College and University Senior Lecturer in the Department of East Asian Studies.
