Elections to the Nominating Committee for External Members of the Council

13 November 2015

The Vice-Chancellor announces that he has received the following nomination for election to the Nominating Committee for External Members of the Council in class (c) (members elected by the Regent House from among those who at the time of election are current members of Council in classes (a), (b), and (c)), and that it has been certified to him that the candidate has consented to be so nominated:

Court of Discipline

The Court of Discipline met on 28 September 2015 to consider a charge brought by the University Advocate on a complaint by the Junior Proctor against an undergraduate member of the University. The Court consisted of: Dr D. M. Fox, *JN* (Chair); Ms N. Blanning, *JN*; Dr J. M. Evans, *CAI*; Mr A. D. Lemons, *HH*; and Dr K. C. Plaisted-Grant, *JN*. Ms C. Benton acted as Clerk to the Court. On the application of the Defendant, the Court consisted of senior members only and sat *in camera*.

The Defendant was charged with an offence contrary to Regulation 6 of the General Regulations for Discipline, namely that they had used unfair means in a University examination by making use of their phone, during a toilet break, to log on to certain CamTools pages containing notes relevant to the examination. The Defendant pleaded guilty. The University Advocate outlined the circumstances of the case and the Defendant's representative presented the Defendant's case. Witnesses were called and cross-examined.

The Court accepted the guilty plea and made clear to the Defendant the serious nature of the offence. In determining its sentence, it considered the evidence presented in mitigation concerning the Defendant's character, their admission of guilt and subsequent remorse, and their personal circumstances. It ordered that the Defendant's mark for the relevant examination paper be reduced to zero, noting that a more severe penalty was not warranted in this case because of the lack of clear evidence of premeditation.
