12. A Review Committee shall consider any representations which are referred to them under Regulation 7 which in the judgement of the Committee constitutes a complaint on one or more of the following grounds:

- (a) that there existed material circumstances relating to the conduct of the examination (excluding circumstances relating to the candidate's course of study) of which the Examiners were unaware;
- (b) that procedural irregularities occurred in the conduct of the examination, which were of such a nature as to cause reasonable doubt as to whether the Examiners would have reached the same conclusion had the irregularities not occurred;
- (c) that there is demonstrable evidence of prejudice, bias, or inadequate assessment in the examination process;
- (d) that, with regard to representations falling within Regulation 2(b), there existed material circumstances (excluding circumstances relating to the candidate's course of study) of which the Faculty Board or comparable body were unaware, or that procedural irregularities occurred in the Faculty Board's or comparable body's decision which were of such a nature as to cause reasonable doubt as to whether that body would have reached the same decision had the irregularities not occurred, or that there is demonstrable evidence of prejudice, bias or inadequate assessment in that body's decision.

In considering the representations at this stage the Committee shall have power to seek statements from other persons or bodies, as they think fit. If the Committee are of the view that the case does not fall within any of the grounds specified above, they shall dismiss the complaint and shall inform the candidate accordingly.

13. Subject to the provisions of Regulation 12, any statement of complaint received by the Review Committee shall be made available to each of the following:

- (a) the Chair of Examiners (or the Chair of the Faculty Board or comparable authority if the complaint relates to Regulation 2(b));

- (c) any other person specified by the Review Committee.

Each of these persons shall be given an opportunity to submit a written statement to the Committee in response to the complaint. The Committee shall have power to seek statements from other persons or bodies, as they think fit.

14. Any statement submitted to the Review Committee under Regulation 13 shall be made available to the candidate who shall be afforded an opportunity to comment upon it.

15. The Committee shall appoint a day and time for a hearing at which the candidate shall be entitled to be present and to be accompanied by a Tutor or other adviser being either a junior member of the University, an officer of Cambridge University Students' Union, or a member of the Regent House; any person accompanying the candidate shall be permitted to act as the candidate's representative and to speak on his or her behalf. Any person or persons against whom a complaint is laid shall also be entitled to be present (and to be accompanied by a member of the Regent House). The Committee may also, at their discretion, invite other parties to attend.

Decision of
Review
Committee.

16. A Review Committee shall consider any complaint referred to them under Regulation 7 and shall have power to dismiss the complaint or, if they consider it justified:

- (a) to require the Chair of Examiners to re-convene as many of the original Examiners as can conveniently be assembled for the purpose of reconsidering their earlier decisions on the particular case, no fewer than three Examiners inclusive of the Chair to constitute a quorum; *or*
- (b) to require the General Board to appoint one or more additional Examiners to make an independent report or reports on the work presented by the candidate, and to require the Chair of Examiners to convene a meeting of as many of the original Examiners as can conveniently be assembled together with the additional Examiner or Examiners to reconsider the earlier decisions on the particular case, no fewer than three of the original Examiners inclusive of the Chair, and the additional Examiner or Examiners, to constitute a quorum; *or*
- (c) to require the candidate, or the candidate's work, to be re-examined under whatever arrangements may be specified by the Review Committee, after consultation with the Chair of Examiners;
- (d) to require (if the complaint relates to Regulation 2(b)) the Faculty Board or comparable body to reconsider their decision.

17. The Secretary of the Review Committee shall send written notification of the Committee's decision and the reasons for it to the candidate, the Chair of Examiners (or the Chair of the Faculty

Board or comparable body if the complaint falls within Regulation 2(b)), and to the other parties specified in Regulation 13.

18. Subject to any other provisions of the Statutes and Ordinances, the decision of a Review Committee on a particular case shall be final.

19. The Chair of Examiners may appoint a deputy or deputies from among the Examiners to act on his or her behalf in relation to the foregoing regulations during the Chair's absence from Cambridge or for other good cause. The same power of delegation may be exercised by a Faculty Board or comparable authority or its Chair for complaints falling within Regulation 2(b).

20. A Review Committee shall, if they so wish, be entitled to make general recommendations about examination procedures to the General Board, irrespective of the outcome of their consideration of a complaint.
