In Table 6, Primary College denotes the applicant's first choice College, or, in the case of an Open applicant, the College to which the applicant was assigned. At the offer stage post-A level applicants (i.e. those who already have their examination results required for entry) usually receive an unconditional offer of a place, and pre-A level applicants (those who have yet to complete their entry qualifications) usually receive a conditional offer. For post-A level applicants, 'Reject' includes those applicants who declined or failed to meet a conditional offer.

The Winter Pool takes place during the offer stage. Through the Winter Pool applicants may be made an offer by another College (other than their Primary College). The Summer Pool takes place at the offer confirmation stage. Through the Summer Pool applicants holding conditional offers that have not quite been fulfilled may receive an unconditional firm offer of a place at another College. The figures for Pool places and offers are for changes of College only. Colleges can and do make offers to their own applicants through both Pools having pooled them to allow comparison with other pooled applicants.
