PROGRAMME OF PROFESSIONAL TRAINING FOR RESEARCH STUDENTS

Faculty Contact: Graduate Training Officer, c/o Graduate Studies Office (email: sw334@cam.ac.uk)

The Faculty runs a programme of professional training for the benefit of research students. Sessions will deal with key aspects of an academic career: library resources, applications and interviews, conference papers, the teaching of language, publishing. Students in their first year of research should attend the seminars on library resources; the other seminars may be followed over the course of the second and third years, although first-year students are welcome to take part too. In particular, before undertaking any teaching, students should attend the workshops on teaching skills designed for the Faculty by the Staff Development Office.

The venue is the *MML Graduate Centre, RFB*, unless otherwise stated.

Full details on the Faculty's Graduate Training Programme can be found at: www.mml.cam.ac.uk/gradstudies/res_training.html.
