Discussion on Tuesday, 31 May 2022

The Vice-Chancellor invites members of the Regent House, University and College employees, registered students and others qualified under the regulations for Discussions (*Statutes and Ordinances*, p. 111) to attend a Discussion via videoconference on Tuesday, 31 May 2022 at 2 p.m. The following item will be discussed:

1. Joint Report of the Council and the General Board, dated 9 May 2022, on the appointment of Student Discipline Officers (*Reporter*, 6657, 2021–22, p. 495).

Those wishing to join the Discussion by videoconference should email UniversityDraftsman@admin.cam.ac.uk from their University email account, providing their CRSid (if a member of the collegiate University), by 10 a.m. on the date of the Discussion to receive joining instructions. Alternatively contributors may email remarks to contact@proctors.cam.ac.uk, copying ReporterEditor@admin.cam.ac.uk, by no later than 10 a.m. on the day of the Discussion, for reading out by the Proctors,¹ or ask someone else who is attending to read the remarks on their behalf.

In accordance with Grace 3 of 12 January 2022, the Chair of the Board of Scrutiny or any ten members of the Regent House² may request that the Council arrange for one or more of the items listed for discussion to be discussed in person (usually in the Senate-House). Requests should be made to the Registry, on paper or by email to UniversityDraftsman@admin.cam.ac.uk from addresses within the cam.ac.uk domain, by no later than 9 a.m. on the day of the Discussion. Any changes to the Discussion schedule will be confirmed in the *Reporter* at the earliest opportunity.

General information on Discussions is provided on the University Governance site at <https://www.governance.cam.ac.uk/governance/decision-making/discussions/>.

¹ Any comments sent by email should please begin with the name and title of the contributor as they wish it to be read out and include at the start a note of any College and/or Departmental affiliations held.

Appointment of an Acting Vice-Chancellor

23 May 2022

The Council gives notice that, after consultation with the General Board and on the recommendation of the Nominating Committee for this purpose, it has appointed **Dr Anthony Freeling** as Acting Vice-Chancellor from 1 October 2022, the day after Dr Freeling's term as President of Hughes Hall comes to an end.

The appointment is expected to be for a term of six months. However, in the event that the Vice-Chancellor Elect is only able to take up office after 1 April 2023, the term will be extended, up to a maximum of another six months. Conversely, if the Vice-Chancellor Elect can take up office sooner, the term may be shortened.

The Council also confirms that the remuneration package for the position will remain as set out in the *Reporter* on 23 March 2022 (*Reporter*, 6652, 2021–22, p. 325).

Report of the Council on the establishment of a Cambridge University Endowment Trustee Body: Notice in response to Discussion remarks

19 May 2022

The Council has received the remarks made at the Discussion on 10 May 2022 on the above Report (*Reporter*, 2021–22: 6655, p. 468; 6658, p. 503).

The Council welcomes the comments in support of the Report's recommendations from both those who would be working with the new Cambridge University Endowment Trustee Body (CUETB) and those who had reservations about similar proposals published in 2021.

Mr Allen questions whether it is right that the Investment Advisory Board should have no place in Ordinance. As Mr Allen notes, if the Report's recommendations are approved, the current Investment Board would become a sub-committee of the CUETB under a new name, as the Investment Advisory Board (IAB), providing advice on the investments in and the investment strategy of the Endowment Fund (CUEF). The Finance Committee's Financial Investments Sub-committee would provide that advice to the Finance Committee and the Council in relation to the University's investments. The Council and the Chief Investment Officer share Mr Allen's view of the important role that the Investment Board has played, and will continue to play as the IAB, in guiding the investments of the CUEF. In this case, it is not appropriate to reference the Investment Advisory Board in the draft Ordinance because the body is not being established under Statute A VI.

The Council is submitting a Grace (Grace 6, p. 516) for the approval of the recommendations of this Report.

Office of Vice-Chancellor: Advisory Committee membership

23 May 2022

The Council has received notice of a change to the membership of the Advisory Committee supporting the search for the next Vice-Chancellor. Dr Anthony Freeling was appointed as Co-Chair of the Advisory Committee in October 2021 (*Reporter*, 2021–22: 6634, p. 77; 6636, p. 109). However, following his appointment as Acting Vice-Chancellor from 1 October 2022 (p. 507), Dr Freeling has stepped down from the Advisory Committee. The Council has agreed that it is not necessary to make an appointment to replace Dr Freeling, as the remaining membership continues to provide sufficient diversity from all perspectives. Professor Pippa Rogerson, who was originally appointed as Co-Chair of the Advisory Committee, will act as sole Chair of the Committee with immediate effect.

General Admission to Degrees, 2022: Notice of procedure

The Vice-Chancellor gives notice that at the Congregations for General Admission to Degrees to be held on 29, 30 June, 1 and 2 July 2022, tickets will be required for admission to the Senate-House. Graduands should apply through their Colleges for tickets for their intended guests and other members of the University who wish to be present are also asked to obtain tickets from their Colleges. The safe seating capacity has been reviewed and although six places will continue to be available at each session for those Senior members of the University in general who wish to be present, any College wishing to seat groups of Fellows, etc. in their session is requested to issue them tickets within their permitted limit and contact the University Marshal (email: UniversityMarshal@admin.cam.ac.uk) in advance to ensure that they can be seated appropriately.

The Congregations will be divided into separate sessions, with intervals between the presentation of graduands by successive Colleges, although those from Lucy Cavendish College, St Edmund's College and Hughes Hall will proceed in a single session and as before some larger Colleges will divide their session.
