PUBLISHED BY AUTHORITY

Notice by the Editor

The first section of this Special issue sets out the memberships of certain committees and other bodies. The majority of these are included because their terms of reference and membership are defined in Statute or Ordinance. The exception is the group of Other Committees of the Central Bodies, which are bodies founded by, and sub-committees of, the Council and/or the General Board. The second section of this Special issue lists the representatives of the University; these are members of the collegiate University who have been appointed by the Council to the boards or governing bodies of external organisations (1), including linked trusts (2), and the members of the Board of Cambridge Enterprise (3) and of the Cambridge University Endowment Trustee Body and its sub-committee, the Investment Advisory Board (4).

Membership information is supplied annually by the relevant committees, Faculties and other bodies; specific queries on the membership details listed should therefore be addressed to the Secretary (or Assistant Secretary) of the body concerned. Editorial errors, such as incorrectly assigned College affiliations or misspellings, may be reported to Roll.Enquiries@admin.cam.ac.uk.

The 2026 edition

The majority of listings in this Special issue were compiled during Lent Term 2026. Although a number of updates have subsequently been received and included, some changes to memberships made in Easter Term 2026 may not be reflected in the listings.
