SPECIAL ORDINANCES UNDER STATUTE C

UNIVERSITY OFFICES AND EMPLOYMENT IN THE UNIVERSITY

SPECIAL ORDINANCE C (i):
University Officers: sabbatical leave, dispensation, duty to examine
(Special Ordinance under Statute C I 1)

1. Every office specified in Schedule C (i) 1 shall be a University office and the holder shall be entitled to be dispensed from discharging the duties of her or his office during one term for every six terms of service as hereinafter defined; provided always that
(a) the officer shall obtain the consent of the General Board, which consent shall not be unreasonably withheld;
(b) in estimating the amount of leave of absence due under this section at any time account shall not be taken of any service done by the officer more than six years before;
(c) an officer shall not necessarily receive any stipend in respect of any period of absence under this section, but the General Board may fix the amount (if any) of the stipend payable in respect of such period.

For the purposes of this section the General Board shall have power to determine whether a term or part of a term is to be reckoned as a term of service in any case where the holder of an office specified in the Schedule has been excused compliance with any or all of the conditions of the office under Statute C and the Ordinances or has been dispensed from discharging all or part of the duties of the office under Section 2 below; and for the same purposes a term of service shall be defined as any term during which or during part of which a University officer has held such an office, except
(i) any term for which or for part of which the General Board has excused the officer from compliance with any or all of the conditions of her or his office under Statute C and the Ordinances but has not allowed the term to be reckoned as a term of service;
(ii) any term for which or for part of which the General Board has dispensed the officer from discharging all or part of the duties of her or his office under Section 2 below but has not allowed the term to be reckoned as a term of service;
(iii) any term for which the officer has been dispensed from discharging the duties of her or his office under this section.
2. The competent authority may for sufficient cause dispense a University officer from discharging all or part of the duties of her or his office, as follows:

(a) The competent authority may dispense an officer, on account of her or his illness, from discharging the duties of his or her office for a period not exceeding six months, without loss of stipend. The competent authority may extend such dispensation and if it does so shall fix the amount (if any) of the stipend payable to the officer.

(b) The competent authority may dispense an officer, for sufficient cause other than illness, from discharging the duties of her or his office for a period not exceeding five years. In exceptional circumstances the competent authority, with the concurrence of the votes of not less than two-thirds of the whole number of its members, may grant such a dispensation for a period longer than five years, or may extend beyond five years a dispensation already granted, provided always that such a dispensation or extension shall not be valid without the concurrence of the Board, Syndicate, or other body chiefly concerned with the duties of the officer. No stipend shall be payable to the officer during any such dispensation (whether or not the period of dispensation exceeds five years) unless at the time of giving it or at the time or times of extending it the competent authority, having regard to all the circumstances of the case, including the nature of the sufficient cause and the question whether the officer is receiving or will receive payment from some source other than the University during the period of the dispensation, shall determine that the whole or part of the normal stipend is to be payable.

(c) The competent authority may dispense an officer, for sufficient cause other than illness, from discharging part of the duties of her or his office for a period not exceeding five years in the first instance, and may extend beyond five years a dispensation already granted, provided always that such a dispensation or extension shall not be valid without the concurrence of the Board, Syndicate, or other body chiefly concerned with the duties of the officer. A reduced stipend, as determined by the competent authority, shall be payable during such a dispensation.

3. The competent authority shall have power to determine whether any period, or part thereof, of an officer’s dispensation or partial dispensation from duty under this Special Ordinance shall be omitted in reckoning the limit of tenure fixed at the time of the officer’s appointment or reappointment to her or his office.

SPECIAL ORDINANCE C (ii)
University Officers (Special Ordinance under Statute C I 2)

1. Certain matters which may be regulated in future by Special Ordinances under Statute C I 2 are at present provided for by the Schedule to Statute C (formerly Statute U).¹

2. The competent authority shall decide, after hearing the opinion of the Faculty Board or other authority concerned, whether a University office that is vacant or is expected to become vacant shall be filled or left vacant; provided that this shall not apply to
   (a) any of the offices specified individually in Statute C I 1;
   (b) any Professorship;
   (c) any office which is required to be filled under the terms of a trust subsisting at the time.
   An election or appointment to an office may be made by anticipation as from a future date if it is known that the office will then be established, or will then be vacant and may be filled.

3. (a) The tenure of a University officer other than an officer specified in Schedule C (vii) 1 shall begin on such date as may at the time of the election or appointment be specified by the electing or appointing body; or, if no such date is specified, then
   (i) if the office is already vacant or is newly established, the officer’s tenure shall begin on the day of the election or appointment,
   (ii) if the office is not yet vacant, the officer’s tenure shall begin on the day after that on which the retiring officer vacates the office;
   provided that no such body shall specify a date, or shall make an election or an appointment without specifying a date, so that the tenure of the officer elected or appointed begins on a date that is either earlier than the day on which the office fell vacant, or more than six months earlier than the day of the election or appointment, or more than eighteen months later than that day.
   (b) Wherever in respect of a University office or category of University office provision is made by Statute or Ordinance or has been made by Grace for reappointment, and reappointment has not been precluded by the conditions upon which a particular office was established or re-established, no holder of such office or of an office in such category shall be reappointed more than one year before the date on which his or her present tenure of the office is due to expire.
   (c) Where any Statute or Ordinance provides that a University office shall be divided into grades, whether identified by a number or by a specific title, each grade shall, unless otherwise specified in the relevant Statute or Ordinance, be regarded as a separate University office, and promotion from a lower grade to a higher grade within an office which is so divided shall be regarded as appointment to a different office.

4. Unless it is otherwise provided by Statute or Ordinance, every officer shall be admitted to her or his office as soon as may be after the commencement of tenure by subscribing, in a book kept at the Registry, a declaration that the officer will well and faithfully discharge all the duties of the office, and by entering in the book the date of entering upon the office.

5. The stipend of an office shall accrue due to an officer from the commencement of tenure unless he or she fails to enter upon the duties of the office on or before the required date as hereinafter defined. The required date shall be that specified by the electing or appointing body at the time of the election or appointment, or, if no such date is specified, it shall be that of the commencement of tenure if the commencement is not on the day of the officer’s election or appointment, or the first day of the next term if the commencement is on the day of the officer’s election or appointment.

6. An officer who fails to enter upon the duties of her or his office on or before the required date shall report the fact to the competent authority. The competent authority shall then determine the date from which the officer’s stipend is due to accrue, and may excuse the officer from compliance with any or all of the conditions of the office during a period of not more than one year after the required date, subject to any deduction of stipend which the competent authority may determine.

7. Except where it is otherwise determined by the University, stipends shall be considered as accruing from day to day and shall be apportionable in respect of time accordingly.

8. The University shall have power to prescribe by Ordinance that the stipend attached to any office shall be subject to deduction on account of emoluments received by the holder from a College or Colleges.

¹ Cross-reference may be amended by Grace pursuant to Statute C I 8(c).
9. No person or body shall have authority to make any representation or contract on behalf of the University, except in the performance of duties assigned to such person or body by or under Statute or Ordinance, or by consent of the University authority concerned. Such consent may be given either with regard to a particular transaction or generally with regard to a class or classes of transaction, and shall be subject to any restrictions which may be imposed by the authority concerned.

10. The University shall join in the Universities Superannuation Scheme and shall pay the pension contributions due thereunder in respect of the pensionable salaries of those officers who become members of the Scheme.

11. Every University officer (other than the Chancellor, the High Steward, the Deputy High Steward, the Commissary, and any University officer who is exempted under any Statute from the provisions of this section) shall comply with such regulations concerning residence and accessibility as may be made by the University.

12. Subject to the provisions of Statute C and any Special Ordinance made under Statute C, a University officer shall be entitled, unless the tenure of her or his office is limited in accordance with the provisions of any other Statute or Ordinance or by Grace, to hold office until the retiring age so long as he or she satisfactorily performs the duties of the office. All University officers (other than the Chancellor, the High Steward, the Deputy High Steward, the Commissary, and any University officer who is exempted under any Statute or Special Ordinance from the provisions of this section) shall vacate their offices not later than the end of the academical year in which they attain the age of sixty-seven years.

13. Every University officer shall send to the secretary of the competent authority and of the Board, Syndicate, or other body which is chiefly concerned with the officer’s duties, such returns as the competent authority and the other body may respectively direct.

14. The duty to undertake examining which is imposed by Statute C I 4 shall not apply to any University officer who was appointed to her or his current office with effect from a date earlier than 1 October 1994.

SPECIAL ORDINANCE C (iii)

The Proctors (Special Ordinance under Statute C IV)

1. The election of the Proctors shall be held on the first weekday of the Michaelmas Term each year at 10 o’clock in the morning, the Proctors for the previous year vacating their offices immediately beforehand. At the election the two Esquire Bedells shall stand in scrutiny and shall take their own votes and those of other voters by the words placet or non placet. If each of the persons nominated is approved by a majority of those voting, the Esquire Bedells shall declare her or him to be elected. When the Proctors have been elected, the election of the deputy Proctors shall be held without delay. If after the election a Proctor desires to nominate an additional person for election as deputy Proctor, he or she shall request the Council to submit a Grace to the Regent House for the approval of the person nominated.

2. The Cycle of Nominations shall be as set out in Schedule C (iii) 1. When the series of years specified in the Cycle is ended, the order of nomination shall proceed as in the beginning of the Cycle and until the end of it, and so on continually.

3. In the Easter Term of each year the Head of each College whose turn it is to nominate a Proctor for the ensuing academical year shall, either in person or through a deputy, present to the Vice-Chancellor, in the presence of the Registrary, the person nominated by the College, and shall certify in writing that during the past two years the person nominated has resided in the University for the greater part of each of three terms at least. Before the end of the academical year each of the two persons nominated Proctor shall nominate either one or two persons for election as deputy Proctors.

4. If the nomination of a Proctor, having been duly made by a College, becomes void or is withdrawn before the election for some cause deemed sufficient by the Council, the College shall make a further nomination.

SPECIAL ORDINANCE C (iv):  
Administrative Officers (Special Ordinance under Statute C VI 4)

There shall be administrative officers under the direction of the Council in categories to be determined by Ordinance.

SPECIAL ORDINANCE C (v):  
The Librarian (Special Ordinance under Statute C VII)

1. There shall be in the University a Library Syndicate which shall have power to make rules for the management of the University Library, provided that such rules shall not be inconsistent with any Ordinance. The composition of the Library Syndicate and the manner of its appointment shall be determined by Ordinance from time to time.

2. The Librarian is placed under the direction of the Library Syndicate and shall act as Secretary to it. It shall be the duty of the Librarian

(a) to be responsible for the management of the University Library in all respects as determined by Ordinance and by the rules made by the Library Syndicate;

(b) to act as the General Board’s principal adviser on matters relating to libraries;

The present cycle was approved by Grace 7 of 26 May 1999 and amended by Grace 4 of 3 November 2010.
(c) to be responsible, in consultation with the Registry where appropriate, for the custody and arrangement in the Library of the University archives and of documents that are added thereto at the request of the Registry or otherwise, provided that the Registry shall be entitled to require the temporary deposit in the Registry of any document to which he or she may need to refer.

3. The Librarian shall be elected by a Board of Electors consisting of the Vice-Chancellor, or a duly appointed deputy, two persons appointed by the Council, three persons appointed by the General Board, and five persons appointed by the Library Syndicate. One at least of the Electors appointed by the General Board and one at least of those appointed by the Library Syndicate shall be persons who at the time of their appointment are not resident in the University nor officially connected with it, and three at least of the Electors appointed by the Library Syndicate shall be appointed from among the members of that Syndicate. The Secretary of the General Board, or a duly appointed deputy, shall be Secretary to the Board of Electors.

4. Electors shall be appointed in the Michaelmas Term to serve for four years from 1 January following their appointment.

5. If an Elector is or becomes a candidate for the office of Librarian he or she shall be disqualified from acting thereafter in the matter of that election, and the other Electors shall have power to act.

6. If an appointment to the Board of Electors is made after the Electors have first met to consider a vacancy in the office of Librarian, the Elector so appointed shall not have any vote in the election of the Librarian, but that Elector’s predecessor, if not a candidate for the office of Librarian, shall retain her or his right to vote in the election.

7. (a) When the Librarian is due under the Statutes to retire, the Vice-Chancellor shall report the fact to the Council and to the General Board in the Michaelmas Term, but not later than the division of that term, of the academical year next before the year at the end of which the retirement is due to take place.

(b) When it becomes known to the Vice-Chancellor that a vacancy has occurred or will occur in the Librarianship otherwise than by the holder’s becoming due under the Statutes to retire, the Vice-Chancellor shall report the fact to the Council and to the General Board at their next meetings.

8. Not later than the thirtieth day after reporting a vacancy or an expected vacancy in the Librarianship the Vice-Chancellor shall publish a Notice inviting applications to fill the vacancy; provided that the General Board shall have power to suspend the publication of such a Notice for any period not exceeding one year.

9. The Board of Electors shall have power to act notwithstanding one or more vacancies in the number of its members and shall have power to adjourn and generally to regulate its own procedure, provided that

(a) no election shall be made earlier than the day following that on which the qualifications of the candidates have been considered in the first instance at a meeting of the Board;

(b) no election shall be made unless two-thirds at least of the members of the Board (exclusive of any member disqualified by being a candidate) are present at the time of voting and a majority of the members present vote in favour.

10. The Board of Electors shall have power (a) to offer the Librarianship to a person who has not submitted an application for the office, provided that such a person’s qualifications have been considered at two meetings held on different days, and (b) to enquire whether any person or persons other than those who have submitted applications would accept the office if offered.

11. If at the end of two years from the date of publication under Section 8 of the Notice inviting applications for the Librarianship the Electors have been unable to make an election, the Librarian shall be appointed by the Chancellor or, if the office of Chancellor is vacant, by the High Steward.

SPECIAL ORDINANCE C (vi):
The Director of the Fitzwilliam Museum
(Special Ordinance under Statute C VIII)

1. The Director of the Fitzwilliam Museum (who shall also be Marlay Curator) shall, subject to the direction of the Fitzwilliam Museum Syndicate, have charge of all the objects in the Museum and in the Marlay Collection and shall perform such other duties as may be prescribed by Ordinance.
2. The manner of appointment and, subject to the provisions of Statute C and any Special Ordinance made under it, the conditions of tenure of office of the Director and the manner of appointment of the Syndicate shall be determined by Ordinance from time to time.

SPECIAL ORDINANCE C (vii)

Professors (Special Ordinance under Statute C XI 3)
Amended by Graces 1 of 29 November 2017 and 2 of 18 July 2018

Part A: Professors

1. In addition to the Regius Professorships specified in Statute C XI, there shall be in the University such Professorships as by any trust for the time being binding on the University are required to be maintained; such Professorships as are for the time being included in Schedule C (vii) 1 and such Professorships as are for the time being established by Ordinance.

2. Subject to the provisions of any trust for the time being binding on the University,

(a) the University may make regulations for a Professorship under which candidate for that Professorship at any election thereto may be limited, or preference may be given by the Board of Electors, to candidates whose work is connected with a particular area of study within the general field of the title of the Professorship;

(b) either before or after the occurrence of a vacancy in a Professorship to which no such regulations apply, the General Board may determine that candidate for the Professorship at the next election thereto shall be limited, or preference shall be given, as aforesaid.

Notice of any such limitation or preference shall be published to the University forthwith.

3. No Professorship shall be established in the University except by Grace of the Regent House after the publication of a Report of the General Board. The Report shall state whether or not it is recommended that the Professorship be placed in Schedule C (vii) 1. If the Report recommends inclusion in Schedule C (vii) 1, it may also recommend inclusion in Schedule G (i) 1.

4. (a) When a Professorship becomes vacant or is due shortly to become vacant, the University may, on the recommendation of the General Board, terminate or temporarily discontinue it as from the date of the vacancy or modify the conditions relating to it, unless such termination or temporary discontinuance or modification can only be effected by Statute or by an authority other than the University.

(b) If it is reported to the General Board that a Board of Electors has been unable to make an election to a Professorship, the General Board may publish a Notice temporarily discontinuing the Professorship for a specified period determined under the provisions of Section 20 of Part B below, unless such temporary discontinuance or modification can only be effected by Statute or by an authority other than the University.

5. If a Professorship is one which cannot be temporarily discontinued or the conditions of which cannot be modified otherwise than by making a Statute or by submitting an application for the alteration of a trust to an authority other than the University, and if the University has approved such a Statute or has submitted such an application, the election shall remain suspended until the result of the submission of the Statute to Her Majesty in Council or of the application to the other authority is known.

6. Subject to the provisions of Statute C and this Special Ordinance regarding the age of retirement, the University shall have power to establish a Professorship limited to a fixed term, including to the tenure of one Professor only, or to direct that election to a Professorship (being neither a Professorship to which appointments are made by the Crown nor a Professorship governed for the time being by a trust expressly providing otherwise) shall be for a fixed term.

7. The University shall assign each Professorship to a Faculty or Department or other institution under the supervision of the General Board, as appropriate, and may change the assignment from time to time. Subject to the concurrence of the authorities concerned, the duties of a particular Professorship may concern such institutions as the General Board shall determine.

8. Professorial stipends shall be determined from time to time by the University, provided that a Professor shall always receive any emolument to which he or she is entitled under the terms of any trust for the time being binding on the University.

9. The University may from time to time prescribe the minimum amount of instruction to be given by a Professor and the character of such instruction.
10. The University may from time to time by Ordinance impose restrictions on the nature of College offices that may be held by Professors and on the teaching which Professors may give otherwise than on behalf of the University.

11. If the University alters either the title of a Professorship or the definition of the scope of a Professorship, such alteration shall not have effect during the tenure of the person then holding the office except with her or his consent; but if the person concerned consents to the alteration he or she shall be entitled to hold the office under the same conditions as if the alteration had been made before her or his election to the office.

12. The University shall have power to add or remove Professorships to or from the list of those specified in Schedule C (vii) 1.

13. Any person who has not previously held the Slade Professorship of Fine Art may be elected to that Professorship for a period not exceeding three years notwithstanding that he or she has attained the age of sixty-seven years; but no one shall be re-elected to the Professorship for a period such that the tenure of the office will continue beyond the end of the academical year in which he or she will attain the age of sixty-seven years.

14. Any person may be elected or re-elected to one of the following Professorships, notwithstanding that he or she has attained, or will attain during the tenure of the office, the age of sixty-seven years: the John Wilfrid Limett Visiting Professorship of Chemistry, the Alexander Todd Visiting Professorship of Chemistry, the Arthur Goodhart Visiting Professorship in Legal Science, the Pitt Professorship of American History and Institutions, the Simón Bolívar Professorship of Latin-American Studies, the Diane Middlebrook and Carl Djerassi Visiting Professorship of Gender Studies, the Visiting Professorship of Architecture, the Sir Arthur Marshall Visiting Professorship of Urban Design, and the Humanities Visiting Professorships.

Part B: Elections to Professorships

1. Elections to all Professorships shall be governed by the provisions of this Special Ordinance (Parts A and B) except for

(a) the Regius Professorships of Civil Law, Physic, and History, and the King Edward VII Professorship of English Literature, to which appointments are made by the Crown;

(b) a Professorship limited to the tenure of one Professor only, if established for a particular person by Grace;

(c) the following Professorships, to which elections are made by the General Board:

(i) any Professorships on the John Humphrey Plummer Foundation;

(ii) the Quick Professorship of Biology;

(iii) the MRC Professorship of Cognitive Brain Sciences;

(iv) any Professorship the tenure of which is less than a year or is limited to a specified number of years;

provided that

(i) any Professorship to which the appointment is to be made under the terms of any trust binding for the time being on the University shall be governed by this Special Ordinance only so far as this Special Ordinance is compatible with the terms of the trust;

(ii) elections to the Dixie Professorship of Ecclesiastical History shall be made in accordance with the provisions of the Statute relating thereto for the University and for Emmanuel College in common.

2. Except as otherwise prescribed in Section 1 above, the election to a Professorship shall be made by a Board of Electors constituted in accordance with either Section 4 or Section 5 below. Subject to the provisions of Section 3, such a Board of Electors may be either

(a) a standing Board, of which the appointed members shall be appointed to serve for four years, or

(b) an ad hoc Board, of which the appointed members shall be appointed to serve until the election has been made and the Professor has entered upon the duties of the office, or until the General Board has published a Notice of temporary discontinuance under Part A Section 4(b) above.

3. A Board constituted in accordance with Section 4 may be either a standing Board or an ad hoc Board, as determined by the General Board under Section 6 below. A Board constituted in accordance with Section 5 shall be an ad hoc Board. The Registrary or a University officer designated by the Council (or a duly appointed deputy appointed by the Registrary or such University officer) shall act
as Secretary to a Board of Electors. The membership of a standing Board shall be published at least once in each year. The membership of an *ad hoc* Board shall be published as soon as conveniently may be after the members have been appointed.

4. If a Professorship has been assigned to a Faculty or Department, or other institution under the supervision of the General Board, the election shall be made by a Board of Electors consisting of
   (a) the Vice-Chancellor or a duly appointed deputy;
   (b) eight persons appointed by the Council, two on the nomination of the Council itself, three on the nomination of the General Board, and three on the nomination of the Faculty Board concerned in the case of a Professorship assigned to a Faculty or to a Department within a Faculty, or on the nomination of the comparable authority in the case of a Professorship assigned to a Department independent of any Faculty or other institution under the supervision of the General Board.

5. If the General Board considers it desirable that the assignment of a Professorship should be deferred until the election has been made to that Professorship, the election shall be made by a specially constituted Board consisting of
   (a) the Vice-Chancellor or a duly appointed deputy;
   (b) five persons appointed by the Council, two on the nomination of the Council itself and three on the nomination of the General Board;
   (c) such number of additional persons representing the branches of the subject included in the scope of the Professorship as the General Board shall determine, appointed by the Council on the nomination of the bodies deemed by the General Board to be concerned.

6. When a Professorship is first established, the General Board shall determine, after consulting such Faculty Boards or comparable authorities as are deemed by the General Board to be concerned, whether elections to the Professorship are to be made by a standing Board of Electors or by an *ad hoc* Board. The General Board shall subsequently have power to review its decision at any time and, after consulting the Faculty Boards or comparable authorities concerned, to reverse its previous decision; such reversal shall take effect from the first day of October next following.

7. Nominations for any Board of Electors shall be made on such dates as will enable the General Board to nominate with knowledge of the nominations of the Faculty Boards or comparable authorities concerned.

8. When a standing Board of Electors is constituted for the first time the members shall be appointed for periods so determined by the Council that in the year next but one and in every subsequent year (a) two of the eight appointed Electors shall retire on the thirtieth day of September, and (b) none of the nominating bodies shall nominate more than one Elector save when a casual vacancy is to be filled.

9. No person shall be appointed or reappointed a member of a standing Board of Electors who at the commencement of her or his period of service or further period of service, as the case may be, would have attained the age of sixty-seven years; and no person shall be appointed a member of an *ad hoc* Board of Electors who at the commencement of her or his period of service would have attained the age of seventy years.

10. Whenever a vacancy from any cause other than lapse of time occurs on a Board of Electors (other than on an *ad hoc* Board after the Electors have first met to consider a vacancy in the Professorship), a new Elector shall be appointed to fill the vacant place. If an appointment to a standing Board of Electors is made after the Electors have first met to consider a vacancy in the Professorship, the Elector so appointed shall not take part in that election, and her or his predecessor shall retain the
right, subject to the provisions of Section 13 below, to take part in the election. If the General Board publishes a Notice under Part A, Section 4(b) above temporarily discontinuing the Professorship, the publication of the Notice shall have the same effect for the purposes of this section as if an election had been made.

13. If an Elector is or becomes a candidate for a Professorship, he or she shall be disqualified from acting thereafter in the matter of that election, and the remaining Electors shall have power to act.

14. A Board of Electors shall have power to act notwithstanding one or more vacancies in the number of its members, and shall have power to adjourn and generally to regulate its own procedure, provided that
(a) no election shall be made earlier than the day following that on which the qualifications of the candidates have been considered in the first instance at a meeting of the Board;
(b) no election shall be made unless two-thirds at least of the members of the Board (exclusive of any member disqualified by being a candidate) are present at the time of voting and a majority of the members present vote in favour.

15. A Board of Electors shall have power (a) to enquire whether any person or persons other than those who have submitted applications would accept the Professorship if offered, and (b) to offer the Professorship to a person who has not submitted an application, provided that such a person’s qualifications have been considered at two meetings held on different days.

16. The following provisions shall apply to all Professorships other than those limited to the tenure of a single holder:
(a) When a Professor is due under Statutes or Ordinances to retire, the Vice-Chancellor shall report the fact to the General Board not later than the division of the Michaelmas Term of the academical year next but one preceding the year at the end of which the retirement is due to take place.
(b) When it becomes known to the Vice-Chancellor that a vacancy has occurred or will occur in a Professorship otherwise than by the holder’s becoming due to retire or by the expiry of the period for which he or she was elected, the Vice-Chancellor shall report the fact to the General Board at the next opportunity.
(c) If a vacancy is due to occur in a Professorship by the expiry of a period of discontinuance of more than three years, action shall be taken in accordance with subsection (a) above as if the end of that period were the end of the year in which a holder of the Professorship is due to retire. If a period of discontinuance is three years or less, action shall be taken in accordance with subsection (b) above.

17. When the Vice-Chancellor has reported under Section 16 above that a vacancy has occurred or is expected to occur in a Professorship, the General Board shall consider whether the conditions relating to the Professorship should be modified, or whether the Professorship should be terminated or temporarily discontinued. For this purpose the General Board shall consult such Faculty Boards or comparable authorities as are concerned, and also the Council of the relevant School, and shall ask whether they recommend that the vacancy should be filled, and if so whether they recommend (a) that candidature for the Professorship should be limited, or alternatively that preference should be given by the Electors, to persons whose work is connected with a particular area of study within the general field of the title of the office, or (b) that candidature should be open without limitation or preference to all persons whose work falls within that general field. In reaching a decision on these questions the General Board shall take into account, but shall not be bound by, the recommendations of the authorities consulted under this section.

18. (a) Not later than the end of the eighteenth month after the Vice-Chancellor’s report under Section 16 of a vacancy or an expected vacancy in a Professorship, the General Board shall either
(i) agree that the vacancy shall be filled; or
(ii) ask the Council to promote a Grace for the termination or temporary discontinuance of the Professorship from the date of the vacancy; or
(iii) ask the Council to promote a Grace extending by a specified amount the period prescribed by this subsection within which the General Board is required to act under sub-subsection (i) or (ii) above.

(b) Not later than the date specified by subsection (a) above if the Board agrees that the vacancy shall be filled or if the Professorship is one that the University is required by any Statute or trust to maintain, or not later than the end of the term next following the term in which a Grace under subsection (a)(ii) above has been rejected, the Board
(i) may ask the Council to promote a Grace for the amendment of the Statute or Ordinances prescribing the conditions relating to the Professorship; and
(ii) if the Professorship is one to which no such Statute or Ordinances apply, shall determine the conditions which shall relate to the Professorship at the next election.

19. Not later than the end of the twelfth month after
(a) the General Board has agreed under Section 18(a)(i) that a vacancy shall be filled without the need for approval by Grace under Section 18(b)(i) of any modification of the conditions relating to the Professorship, or
(b) the University has approved or rejected any Grace submitted under Section 18(b)(i) or has rejected any Grace submitted under Section 18(a)(ii),
the Vice-Chancellor shall publish a Notice inviting applications to fill the vacancy.

20. (a) If at the end of two years from the date of publication of the Notice inviting applications for a Professorship the Electors have been unable to make an election they shall report this fact and the reasons for it to the General Board. The General Board shall then either
(i) grant the Electors a further period of not more than two years in which to make an election; or
(ii) publish a Notice discontinuing the Professorship for a specified period which shall not extend beyond the end of the seventh academical year following the date of publication under Section 19 of the Notice inviting applications.
(b) If the Electors have been granted a further period of two years under Section 20(a)(i) and within that further period have again been unable to make an election they shall report this fact and the reasons for it to the General Board. The General Board shall then either
(i) recommend the Council to ask the Chancellor, or, if the office of Chancellor is vacant, the High Steward, to appoint the Professor; or
(ii) publish a Notice discontinuing the Professorship for a specified period which shall neither be less than one year nor extend beyond the end of the seventh academical year following the date of publication under Section 19 of the Notice inviting applications.

SPECIAL ORDINANCE C (viii):
Readers (Special Ordinance under Statute C XII)

1. The University may from time to time prescribe the minimum amount of instruction to be given by a Reader and the character of such instruction.
2. The stipend of a Reader shall be determined by the University from time to time.
3. The University may from time to time by Ordinance impose restrictions on the nature of College offices that may be held by Readers and on the teaching which Readers may give otherwise than on behalf of the University.
1. Appointments or reappointments to the office of University Senior Lecturer and University Lecturer shall be made by a Selection Committee constituted under Special Ordinance C (x).

2. The provisions in this Special Ordinance shall apply to both University Senior Lectureships and Lectureships, unless their application to one or other office is expressly excluded.

3. (a) The appointment to a University Lectureship shall be subject to the satisfactory completion of a period of probation under arrangements approved from time to time by the University unless the waiver of this requirement is recommended by the Selection Committee and approved by the Head of the School.

(b) On confirmation of an appointment, a University Lecturer shall hold office, subject to the provisions of Statute C or any Special Ordinance made under it, until the retiring age, so long as the person appointed satisfactorily performs the duties of the office.

4. The Council of the School incorporating the institution in which the office is established shall have power to direct, either of its own motion or on the recommendation of the Faculty Board, comparable authority, or Selection Committee concerned, or in order to comply with a trust binding on the University for the time being, that in a special case an appointment or a reappointment to be made by a Selection Committee shall be for a fixed term, which shall be prescribed by the General Board and which may be shorter than the period specified in Section 3(b) above.

5. The General Board, after consulting the Faculty Board or other authority concerned, shall fix for each institution the limits within which the amounts of teaching to be given by all University Lecturers in the institution shall be determined. The lower limit of such teaching shall not be less than thirty hours’ lectures a year; provided that

(a) an equivalent amount of other teaching may be substituted for lectures, the equivalence of such teaching being determined by the General Board;

(b) the General Board shall have power, in exceptional circumstances and on the recommendation of the Faculty Board or comparable authority concerned, to prescribe for a Lecturer, for periods not exceeding three years at a time, and under such conditions as the General Board may specify, an amount of teaching which is less than that specified above.

6. The amount of teaching to be undertaken by a University Lecturer shall be determined by the Faculty Board or comparable authority concerned within the limits fixed by the General Board in accordance with Section 5 above. Such teaching shall normally be given during full term, but the Faculty Board or comparable authority, with the approval of the General Board and with the officer’s consent, may prescribe that some of it shall be given during the Long Vacation.

7. If a University Lecturer undertakes administrative work in connection with a Faculty, Department, or other institution, the General Board shall have power, on the recommendation of the Faculty Board or comparable authority concerned, to allow the Lecturer to count such administrative work as part of the duties for which he or she receives a pensionable stipend as a Lecturer.

8. In prescribing the amount of teaching to be given by a University Lecturer in any year the Faculty Board or comparable authority shall have regard to the character of the subject-matter of the lectures or other teaching, to the time which will be involved in preparation therefor, to any University administrative work approved by the General Board under Section 7 above, and to any College administrative work. If a Lecturer considers that the amount of teaching prescribed is unreasonable he or she may appeal to the General Board, whose decision shall be final.

9. A University Lecturer shall not undertake for remuneration during full term without the consent of the General Board any teaching other than teaching given on behalf of the University or a College or Colleges or the delivery of occasional lectures. The amount of teaching given by a University Lecturer on behalf of a College or Colleges shall not, except with the consent of the General Board, exceed twelve hours a week, or, if the Lecturer is a Tutor or Bursar, eight hours a week. The General Board may on account of the nature of the subject or the circumstances of the particular case extend the maximum number of hours a week to fifteen, or if the Lecturer is a Tutor or Bursar to ten. For the purposes of this section the terms Tutor and Bursar shall include Assistant Tutors and Assistant Bursars unless in a particular case the General Board shall decide otherwise.
10. The prime stipends or scales of stipends for University Lecturers shall be determined by the University on the recommendation of the General Board.

11. When there is an incremental scale of prime stipends the General Board shall determine a University Lecturer’s place on the scale on appointment. If a revised scale of stipends is approved by the University, it shall be competent for the General Board to alter a University Lecturer’s place on the scale in accordance with the objects and conditions of the revision.

12. The prime stipend of a University Lecturer shall be subject, in respect of payments received from a College or Colleges other than payments for teaching and the direction of studies and such occasional payments as may be exempted by the General Board, to deductions to be determined by Ordinance.

SPECIAL ORDINANCE C (x):
Selection Committees (Special Ordinance under Statute C XIII 2)
Amended by Grace 1 of 14 March 2018

1. Save to the extent expressly set out below, and unless expressly excluded by the provisions of any trust for the time being binding on the University, the process for the appointment of established academic officers (other than Professors) in each School shall be determined by the Council of the School, and responsibility for overseeing compliance with that process shall rest with the Head of that School.

2. The selection for appointment for every established academic office (other than Professorships) shall be made by a Selection Committee at which a minimum of five members and normally a maximum of nine members are present, unless the Head of the School has determined that the maximum number of members shall be higher in an individual case.

3. The constitution of the Selection Committee shall be determined by the process established under Sections 8 and 10 below, but the majority must be established academic officers in the University and at least one member must be external to the institution in which the appointment is being made.

4. Notwithstanding the minimum of five members specified in Section 2, if notice has been given that a member will be absent from a meeting of a Selection Committee for good cause and that absence would bring the number present below the specified minimum, the Head of the School shall have authority to appoint another person to serve as a member of the Selection Committee for that meeting provided all other requirements of this Special Ordinance C (x) for the constitution of the Selection Committee are met.

5. Those responsible for the constitution of Selection Committees shall endeavour to ensure that there are as nearly as possible equal numbers of men and women on any Selection Committee and consideration should be given to the racial and ethnic diversity of the Committee.

6. Decisions of a Selection Committee shall be made by a two-thirds vote of members (rounded up to the nearest integer) unless unanimity is prescribed for any decision by the process in any School. The Chair shall not have a casting vote.

7. Each member of a Selection Committee shall seek to ensure that the selection process has been conducted fairly and complies with the required procedure and the Recruitment Key Principles. Any member can raise a concern with the Chair of the Committee, orally or in writing, if that member considers that it is not being conducted in accordance with the required procedure or the Recruitment Key Principles as adopted by the University from time to time. In the event that the member’s concern is not satisfactorily answered, the member shall be entitled to refer the matter to the Head of the School, who shall have discretion to resolve the matter as the Head of the School considers appropriate. This shall not affect any remedy available to a candidate affected by any defect in process.

The University members of a Selection Committee shall normally have undertaken recruitment training and training in equality and diversity matters as specified from time to time by the General Board. Where a Head of School is not satisfied that a Selection Committee has made a decision fairly, transparently, or in accordance with the required procedure or the Recruitment Key Principles as adopted by the University from time to time, the Head of the School may remit the decision back to the Selection Committee citing concerns and asking that remedial action be taken. In exceptional circumstances, where the Head of the School remains dissatisfied, the Head of the School may veto the making of an appointment, but in those circumstances a full report shall be made to the Council of the School.
8. The process to be established pursuant to Section 1 shall specify at least the following:
  (a) The method and criteria for the appointment of members to a Selection Committee;
  (b) How the chair of the Selection Committee shall be appointed;
  (c) Whether there shall be an ad hoc Selection Committee(s) and if so, in what circumstances a
      Standing Selection Committee(s) may be established, if any;
  (d) The process to be adopted for advertising the appointment, and the procedure for short-listing,
      interviewing and final selection by the Selection Committee;
  (e) The training requirements for members of Selection Committees within the School.

The above information shall be published by the Schools on their respective websites. The memberships
of individual Selection Committees shall also be published on the Schools’ websites or on the websites
of the institutions concerned.

9. For appointments and reappointments to a University office of Clinical Lecturer, the relevant
School under Section 1 shall be the School of Clinical Medicine, in consultation with the School in
which the Clinical Lectureship is established.

10. The Council and the General Board shall, by Notice issued from time to time, specify the
Selection Committee and process to be adopted in the appointment of established academic officers in
institutions under the direct supervision of the Council or the General Board, or of certain officers
whose duties concern more than one School or institution.

SPECIAL ORDINANCE C (xii):
Redress of Grievances
(Special Ordinance under Schedule to Statute C Chapter V 2)
Amended by Grace 1 of 14 March 2018

1. Every University officer has a right to raise any concerns, problems, or complaints relating to
her or his appointment or employment, not being matters for which express provision is made elsewhere
in Statutes and Ordinances.
2. The purpose of this Ordinance is to provide an appropriate means for University officers to seek redress of workplace concerns as informally, fairly and speedily as possible. Where after investigation a grievance is found to be vexatious or malicious, and without any reasonable foundation, disciplinary action may follow.

3. An officer may at any time withdraw a grievance or may agree that it has been resolved.

4. The ‘Responsible Person’ in relation to any particular officer shall for the purposes of this Ordinance be either (i) the Head or Director of the appropriate Department, Division of the Unified Administrative Service, or other institution or the Chair of the Board, Syndicate, or other body which is chiefly concerned with the officer’s duties; or (ii) such other University officer as the secretary of the competent authority (as determined by Statute C I 1(b)) may determine. In cases of doubt, the secretary of the competent authority shall determine who is the Responsible Person.

Unless otherwise specified, the Responsible Person may delegate any duty prescribed by Ordinance or under any rule, code of practice, guidance or other provision made under Statute or Ordinance to a named person, provided that the written permission of the secretary of the competent authority to such delegation is obtained in each case, and references to the Responsible Person shall include reference to such other person as appropriate.

5. The expression ‘working day’ shall exclude weekends, public holidays, or any other day when the University Offices are closed.

6. If at any time during the Formal or Appeal Stage of this Grievance Procedure the aggrieved officer considers that any aspect of the process is subject to unreasonable delay, he or she may make a complaint in writing:
   (a) at the Formal Stage, to the Director of the Human Resources Division or, if he or she is the Responsible Person, the Chair of the Human Resources Committee, and
   (b) at the Appeal Stage, to the Chair of the Human Resources Committee who shall investigate the alleged delay and respond in writing within five working days of receipt of the complaint. In exceptional circumstances where a complaint has been received, the person to whom the complaint is made may determine that another officer shall act as the Responsible Person or that an officer appointed to inquire into a grievance at the Appeal Stage shall be removed or replaced.

Mediation

7. At the Informal and Formal stages of the Grievance Procedure the aggrieved officer and the person responsible for considering the grievance shall consider whether to refer the matter to mediation. The University’s internal mediation service may be used if desired. Participation in mediation is voluntary. Anything said or produced by either party to any mediation will be considered to be confidential and without prejudice.

Informal Stage

8. Grievances should first be raised informally by the officer with the person to whom the officer is immediately responsible. Where the conduct of that person is the subject of the grievance, the aggrieved officer should raise the matter informally with a University officer senior to that person. It is expected that most grievances will be resolved at or before this stage.

Formal Stage

9. If the grievance cannot be resolved by informal discussions, then the officer may make a written complaint to the Responsible Person. Where bullying or harassment is the subject matter of the grievance, the Responsible Person may, after consultation with the Human Resources Division, determine that the complaint be regarded as a complaint under the Dignity at Work Procedure if it is considered that this will offer a more appropriate means of addressing the officer’s concerns. Where such a determination is made, the officer may subsequently make a further written complaint to the Responsible Person if he or she is dissatisfied with the outcome of the Dignity at Work Procedure. A grievance cannot be considered under this procedure while a complaint is being considered under the Dignity at Work procedure in respect of the same subject matter.

10. If the grievance directly concerns the Responsible Person, the officer should write to the Director of Human Resources who, in consultation with the Chair of the Human Resources Committee (or, if
the Director of Human Resources is the Responsible Person, the Chair of the Human Resources Committee, will appoint a person to act in place of the Responsible Person in the Formal Stage of the Grievance Procedure. Where such an appointment is to be made by the Director of Human Resources, he or she will act in consultation with the Chair of the Human Resources Committee.

11. On receipt of a written grievance the Responsible Person should notify the Human Resources Division without delay. The Human Resources Division will inform the secretary of the competent authority, as determined by Statute C I 1(b), and advise on the requirements of fair and correct practice and procedure, to ensure that these are applied consistently across the University.

12. The Responsible Person will arrange a meeting with the officer, if possible within five working days after receipt of the complaint, and will inform the officer of his or her right to be accompanied, confirming that information in writing. The Responsible Person may, if the subject matter of the grievance requires particular knowledge or expertise, or involves another part of the University, invite to the meeting such other officer or officers as may be of assistance in hearing the grievance and advising the Responsible Person, and will inform the officer that they will be attending the meeting.

13. The officer has the right to be accompanied by a colleague or by a trade union representative. For a person to qualify as a trade union representative, he or she must be certified in writing by the union as having experience of, or having received training in, acting as a worker’s companion at disciplinary or grievance meetings. The officer has no right to insist on being accompanied by a particular person against that person’s will.

14. Before the meeting takes place, the officer shall propose to the Responsible Person whom he or she has chosen as a companion, if any. The Responsible Person shall accept the companion chosen by the officer unless their choice is unreasonable, for example if the companion has a conflict of interest or might prejudice a fair discussion of the grievance, when the Responsible Person may ask them to choose a different companion.

15. Where possible, the timing and location of the meeting should be agreed with the officer. If the officer’s companion cannot attend on the proposed date, the officer can suggest another date as long as it is reasonable and is not more than five working days after the date originally proposed by the responsible person. That five day time limit may be extended by mutual agreement. The meeting should be held in a private location and there should be no interruptions.

16. At the meeting, the officer shall be allowed to explain the complaint and say how he or she thinks it should be settled. If a point in the meeting is reached where the Responsible Person is not sure how to deal with the grievance or believes that further investigation is necessary, he or she should adjourn the meeting to get advice or to investigate further.

17. The officer’s companion shall be allowed to participate fully in the meeting, to confer with the officer during the course of the meeting and if necessary to request an adjournment to confer privately with the officer. The companion may not answer questions on the officer’s behalf, nor address the meeting if the officer does not wish it, nor prevent the Responsible Person from conducting the proceedings in any way.

18. The Responsible Person should give the grievance careful consideration before responding.

19. The Responsible Person should write to the officer within a reasonable time, and normally not more than five working days after the meeting (including any adjournment) has concluded, responding to the grievance and referring to the officer’s right of appeal. Where it is not possible to respond within five working days the officer should be given an explanation for the delay and told when a response can be expected. The response shall be sent by recorded delivery to the officer’s home address as notified to the University by the officer.

Appeal Stage

20. If the officer wishes to appeal, he or she may, within ten working days after the date of the letter of response, write to the Director of Human Resources asking that the grievance be referred to the Human Resources Committee. The Director of Human Resources shall have discretion to accept a later appeal where he or she is satisfied that there was good reason why that appeal could not be submitted within ten working days.

21. On receipt of such a request, the Human Resources Committee will appoint one or more persons to inquire into the grievance with a view to resolving it, and to report. The inquiry shall be subject to the Rules of inquiry contained in paragraph 26.
22. If at any time the grievance is withdrawn, or agreed to have been resolved, by the officer who made it, then the person or persons inquiring into the grievance shall not be obliged to proceed further or to report.

23. The Human Resources Committee will decide, after consideration of any report, what action (if any) to take. The Secretary of the Committee shall promptly notify the aggrieved officer in writing of its decision by recorded delivery to the officer’s home address as notified to the University by the officer.

24. The Human Resources Committee and the person or persons appointed to inquire into the grievance shall proceed with all reasonable speed.

25. This is the end of the procedure and there is no further appeal.

Rules of inquiry

26. The following rules shall apply as regards an inquiry under the Appeal Stage of the grievance procedure:
   (i) Before any report is made, the aggrieved officer shall be heard. Such a meeting need not be by all of the persons (if more than one) inquiring into the grievance.
   (ii) The aggrieved officer shall be entitled to be represented or accompanied for that purpose by a trade union officer or a colleague, on the same basis as described in paragraphs 12–16 above.
   (iii) Subject to the above rules, the person or persons conducting the enquiry shall use all reasonable endeavours to ensure that the conduct of the inquiry is just and fair.

27. This procedure is established pursuant to the Schedule to Statute C, Chapter V 2.

Transitional provision

28. This Ordinance shall apply to all grievances submitted in writing by officers on or after 13 March 2013. The former arrangements contained in former Statute U, VI shall be deemed to apply to all grievances submitted in writing prior to that date, together with the former Regulations relating to Grievance Committees in Ordinances, Chapter II.1 When no longer required this provision may be repealed by Grace.
